Section 3. CHARACTERISTICS OF THE CERTIFICATES.

(a) Registration, Transfer, Conversion and Exchange. The Issuer shall keep or cause to be kept at the principal corporate trust office of TIB The Independent BankersBank, N.A., located in Farmers Branch, Texas, as Paying Agent/Registrar, books or records for the registration of the transfer, conversion and exchange of the Certificate (the "Registration Books"), and the Issuer hereby appoints the Paying Agent/Registrar as its registrar and transfer agent to keep such books or records and make such registrations of transfers, conversions and exchanges under such reasonable regulations as the Issuer and Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such registrations, transfers, conversions and exchanges as herein provided. The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the Registered Owner of the Certificate to which payments with respect to the Certificate shall be mailed, as herein provided; but it shall be the duty of the Registered Owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. To the extent possible and under reasonable circumstances, all transfers of Certificates shall be made within three business days after request

and presentation thereof. The Issuer shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The Issuer shall pay the Paying Agent/Registrar's standard or customary fees and charges for making such registration, transfer, conversion, exchange and delivery of a substitute Certificate. Registration of assignments, transfers, conversions and exchanges of Certificates shall be made in the manner provided and with the effect stated in the FORM OF CERTIFICATE set forth in this Ordinance. Each substitute Certificate shall bear a letter and/or number to distinguish it from each other Certificate.

(b) Authentication. Except as provided in Section 3(d) hereof, an authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Certificate, date and manually sign said Certificate, and no such Certificate shall be deemed to be issued or outstanding unless such Certificate is so executed. The Paying Agent/Registrar promptly shall cancel all paid Certificates and Certificates surrendered for conversion and exchange. No additional ordinances, orders or resolutions need be passed or adopted by the governing body of the Issuer or any other body or person so as to accomplish the foregoing conversion and exchange of any Certificate or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution and delivery of the substitute Certificate in the manner prescribed herein. Pursuant to Subchapter D, Chapter 1201, Texas Government Code, the duty of conversion and exchange of Certificates as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of said Certificate, the converted and exchanged Certificate shall be valid, incontestable, and enforceable in the same manner and with the same effect as the initial Certificate which was approved by the Attorney General and registered by the Comptroller.

(c) Payment of Principal and Interest. The Issuer hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Certificate, all as provided in this Ordinance. The Paying Agent/Registrar shall keep proper records of all payments made by the Issuer and the Paying Agent/Registrar with respect to the Certificate, and of all conversions and exchanges of Certificates, and all replacements of Certificates, as provided in this Ordinance. However, in the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Issuer. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of the Registered Owner appearing on the Registration Books at the close of business on the business day next preceding the date of mailing of such notice.

(d) In General. The Certificate (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on the Certificate to be payable only to the Registered Owner, (ii) may be redeemed prior to its scheduled maturities (notice of which shall be given to the Paying Agent/Registrar by the Issuer at least 25 days prior to any such redemption date), (iii) may be transferred and assigned, (iv) may be converted and exchanged for another Certificate, (v) shall have the characteristics, (vi) shall be signed, sealed, executed and authenticated, (vii) the principal of and interest on the Certificate shall be payable, and (viii) shall be administered and the Paying Agent/Registrar and the Issuer shall have certain duties and responsibilities with respect to the Certificate, all as provided, and in the manner and to the effect as required or indicated, in the FORM OF CERTIFICATE set forth in this Ordinance. The initial Certificate is not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Certificate issued in conversion of and exchange for any Certificate or Certificates issued under this Ordinance the Paying Agent/Registrar shall execute the PAYING AGENT/REGISTRAR'S AUTHENTICATION CERTIFICATE in the form set forth in the FORM OF CERTIFICATE.

(e) Substitute Paying Agent/Registrar. The Issuer covenants with the Registered Owner of the Certificate that at all times while the Certificate is outstanding the Issuer will provide a competent and legally qualified bank, trust company, financial institution or other agency to act as and perform the services of Paying Agent/Registrar for the Certificate under this Ordinance, and that the Paying Agent/Registrar will be a single entity. The Issuer reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 45 days written notice to the Paying Agent/Registrar, to be effective not later than 30 days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Issuer covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Ordinance. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Certificate, to the new Paying Agent/Registrar designated and appointed by the Issuer. Upon any change in the Paying Agent/Registrar, the Issuer promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to the Registered Owner of the Certificate, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Ordinance, and a certified copy of this Ordinance shall be delivered to each Paying Agent/Registrar.

(f) On the closing date, the initial Certificate No. R-1 representing the entire principal amount of the Certificates of this series, payable to the Purchaser, executed by manual or facsimile signature of the Mayor and City Secretary of the Issuer, approved by the Attorney General, and registered and manually signed by the Comptroller, will be delivered to the Purchaser or its designee.

(g) Conditional Notice of Redemption. With respect to any optional redemption of the Certificates, unless certain prerequisites to such redemption required by this Ordinance have been met and money sufficient to pay the principal of and premium, if any, and interest on the Certificates to be redeemed will have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice will state that said redemption may, at the option of the Issuer, be conditional upon the satisfaction of such prerequisites and receipt of such money by the Paying Agent/Registrar on or prior to the date fixed for such redemption or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not fulfilled, such notice will be of no force and effect, the Issuer will not redeem such Certificates, and the Paying Agent/Registrar will give notice in the manner in which the notice of redemption was given, to the effect that such Certificates have not been redeemed.

Section 4. FORM OF CERTIFICATE. The form of the Certificate, including the form of Paying Agent/Registrar's Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas to be attached to the Certificate initially issued and delivered pursuant to this Ordinance, shall be substantially in the form provided in Exhibit A, with such appropriate variations, omissions or insertions as are permitted or required by this Ordinance.

Section 5. INTEREST AND SINKING FUND; SURPLUS REVENUES.

(a) A special "Interest and Sinking Fund" is hereby created and shall be established and maintained by the Issuer at an official depository bank of said Issuer. Said Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of said Issuer, and shall be used only for paying the interest on and principal of said Certificate. All amounts received from the sale of the Certificate as accrued interest shall be deposited upon receipt to the Interest and Sinking Fund, and all ad valorem taxes levied

and collected for and on account of said Certificates shall be deposited, as collected, to the credit of said Interest and Sinking Fund. During each year while any of said Certificates are outstanding and unpaid, the governing body of said Issuer shall compute and ascertain a rate and amount of ad valorem tax that will be sufficient to raise and produce the money required to pay the interest on said Certificates as such interest comes due, and to provide and maintain a sinking fund adequate to pay the principal of said Certificates as such principal matures (but never less than 2% of the original amount of said Certificates as a sinking fund each year); and said tax shall be based on the latest approved tax rolls of said Issuer, with full allowances being made for tax delinquencies and the cost of tax collection. Said rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in said Issuer, for each year while any of said Certificates are outstanding and unpaid, and said tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Interest and Sinking Fund. Said ad valorem taxes sufficient to provide for the payment of the interest on and principal of said Certificates, as such interest comes due and such principal matures, are hereby pledged for such payment, within the limit prescribed by law.

(b) The Certificates are additionally secured by revenues of the Issuer's waterworks and sewer system that remain after the payment of all maintenance and operation expenses thereof, and all debt service, reserve and other requirements in connection with all of the Issuer's revenue obligations (now or hereafter outstanding) that are secured by a lien on all or any part of the net revenues of the Issuer's waterworks and sewer system, constituting "Surplus Revenues", with such Surplus Revenues from the waterworks and sewer system not to exceed \$1,000. The Issuer shall deposit such Surplus Revenues to the credit of the Interest and Sinking Fund created pursuant to this Section, to the extent necessary to pay the principal and interest on the Certificates. Notwithstanding the requirements of Section 5(a), if Surplus Revenues or other lawfully available moneys of the Issuer are actually on deposit or budgeted to be on deposit in the Interest and Sinking Fund in advance of the time when ad valorem taxes are scheduled to be levied for any year, then the amount of taxes that otherwise would have been required to be levied pursuant to this Section may be reduced to the extent and by the amount of the Surplus Revenues or other lawfully available funds then on deposit in the Interest and Sinking Fund.

(c) Article 1208, Government Code, applies to the issuance of the Certificates and the pledge of the taxes and limited Surplus Revenues granted by the Issuer under this Section, and is therefore valid, effective, and perfected. Should Texas law be amended at any time while the Certificates are outstanding and unpaid, the result of such amendment being that the pledge of the taxes and limited Surplus Revenues granted by the Issuer under this Section is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, in order to preserve to the registered owners of the Certificates a security interest in said pledge, the Issuer agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code and enable a filing of a security interest in said pledge to occur.

Section 6. DEFEASANCE OF CERTIFICATES.

(a) Any Certificate and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a "Defeased Certificate") within the meaning of this Ordinance, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Certificate, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the "Future Escrow Agreement") for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when

proper arrangements have been made by the Issuer with the Paying Agent/Registrar for the payment of its services until all Defeased Certificates shall have become due and payable. At such time as a Certificate shall be deemed to be a Defeased Certificate hereunder, as aforesaid, such Certificate and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied and pledged or the pledge of Surplus Revenues as provided in this Ordinance, and such principal and interest shall be payable solely from such money or Defeasance Securities. Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem Defeased Certificates that is made in conjunction with the payment arrangements specified in subsection 6(a)(i) or (ii) shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the Issuer expressly reserves the right to call the Defeased Certificates for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Certificates immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the Issuer be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Certificates and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Issuer, or deposited as directed in writing by the Issuer. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Certificates may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsection 6(a)(i) or (ii). All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Certificates, with respect to which such money has been so deposited, shall be remitted to the Issuer or deposited as directed in writing by the Issuer.

(c) The term "Defeasance Securities" means any securities and obligations now or hereafter authorized by State law that are eligible to refund, retire or otherwise discharge obligations such as the Certificates.

(d) Until all Defeased Certificates shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Certificates the same as if they had not been defeased, and the Issuer shall make proper arrangements to provide and pay for such services as required by this Ordinance.

(e) In the event that the Issuer elects to defease less than all of the principal amount of the Certificate, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Certificate by such random method as it deems fair and appropriate.

Section 7. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED CERTIFICATES.

(a) Replacement Certificates. In the event any outstanding Certificate is damaged, mutilated, lost, stolen or destroyed, the Paying Agent/Registrar shall cause to be printed, executed and delivered, a new certificate of the same principal amount, maturity and interest rate, as the damaged, mutilated, lost, stolen or destroyed Certificate, in replacement for such Certificate in the manner hereinafter provided

(b) Application for Replacement Certificates. Application for replacement of damaged, mutilated, lost, stolen or destroyed Certificates shall be made by the registered owner thereof to the Paying Agent/Registrar. In every case of loss, theft or destruction of a Certificate, the registered owner applying for a replacement certificate shall furnish to the Issuer and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect

thereto. Also, in every case of loss, theft or destruction of a Certificate, the registered owner shall furnish to the Issuer and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft or destruction of such Certificate, as the case may be. In every case of damage or mutilation of a Certificate, the registered owner shall surrender to the Paying Agent/Registrar for cancellation the Certificate so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this , in the event any such Certificate shall have matured, and no default has occurred that is then continuing in the payment of the principal of or interest on the Certificate, the Issuer may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Certificate) instead of issuing a replacement Certificate, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Certificates. Prior to the issuance of any replacement certificate, the Paying Agent/Registrar shall charge the registered owner of such Certificate with all legal, printing, and other expenses in connection therewith. Every replacement certificate issued pursuant to the provisions of this Section by virtue of the fact that any Certificate is lost, stolen or destroyed shall constitute a contractual obligation of the Issuer whether or not the lost, stolen or destroyed Certificate shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Certificates duly issued under this Ordinance.

(e) Authority for Issuing Replacement Certificates. In accordance with Sec. 1206.022, Government Code, this Section 7 of this Ordinance shall constitute authority for the issuance of any such replacement certificate without necessity of further action by the governing body of the Issuer or any other body or person, and the duty of the replacement of such certificates is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Certificates in the form and manner and with the effect, as provided in Section 3(a) of this Ordinance for Certificates issued in conversion and exchange for other Certificates.

Section 8. CUSTODY, APPROVAL, AND REGISTRATION OF CERTIFICATES; BOND COUNSEL'S OPINION; CUSIP NUMBERS AND CONTINGENT INSURANCE PROVISION, IF OBTAINED; ENGAGEMENT OF BOND COUNSEL.

(a) The Mayor or Mayor Pro Tem of the Issuer are hereby authorized to have control of the Certificate initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Certificate pending its delivery and their investigation, examination, and approval by the Attorney General of the State of Texas, and their registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Certificate, the Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate attached to such Certificate, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Certificate.

(b) The obligation of the Purchaser to accept delivery of the Certificate is subject to the Purchaser being furnished with the final, approving opinion of McCall, Parkhurst & Horton L.L.P., bond counsel to the Issuer, which opinion shall be dated as of and delivered on the date of initial delivery of the Certificate to the Purchaser. The engagement of such firm as bond counsel to the Issuer in connection with issuance, sale and delivery of the Certificate is hereby approved and confirmed. The execution and delivery of an engagement letter between the Issuer and such firm, with respect to such services as bond counsel, is hereby authorized in such form as may be approved by the Mayor or Mayor Pro Tem, and the Mayor or Mayor Pro Tem are hereby authorized to execute such engagement letter.

Section 9. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE CERTIFICATES.

(a) **Covenants.** The Issuer covenants to take any action necessary to assure, or refrain from any action that would adversely affect, the treatment of the Certificates as Obligation described in section 103 of the Code, the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Issuer covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Certificates (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the Issuer, with respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Certificates, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Certificates or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" that is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount that is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Certificates (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action that would otherwise result in the Certificates being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Certificates being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Certificates, directly or indirectly, to acquire or to replace funds that were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) that produces a materially higher yield over the term of the Certificates, other than investment property acquired with –

(A) proceeds of the Certificates invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 90 days or less until such proceeds are needed for the purpose for which the bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148 1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Certificates;

(7) to otherwise restrict the use of the proceeds of the Certificates or amounts treated as proceeds of the Certificates, as may be necessary, so that the Certificates do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(8) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Certificates) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United

States of America, not later than 60 days after the Certificates have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code;

(9) to refrain from using the proceeds of the Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Bonds in contravention of the requirements of section 149(d) of the Code (relating to advance refundings); and

(10) to assure that the proceeds of the Certificates will be used solely for new money projects.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (a)(8), a "Rebate Fund" is hereby established by the Issuer for the sole benefit of the United States of America, and such Fund shall not be subject to the claim of any other person, including without limitation the certificateholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Use of Proceeds. For purposes of the foregoing covenants (a)(1) and (a)(2), the Issuer understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Certificates. It is the understanding of the Issuer that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated that modify or expand provisions of the Code, as applicable to the Certificates, the Issuer will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Certificates under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated that impose additional requirements applicable to the Certificates, the Issuer agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Certificates under section 103 of the Code. In furtherance of such intention, the Issuer hereby authorizes and directs the Mayor, Mayor Pro Tem, City Administrator and City Secretary to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the Issuer, that may be permitted by the Code as are consistent with the purpose for the issuance of the Certificates.

(d) Allocation of, and Limitation on, Expenditures for the Project. The Issuer covenants to account for the expenditure of sale proceeds and investment earnings to be used for the construction and acquisition of the Project on its books and records by allocating proceeds to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed. The foregoing notwithstanding, the Issuer shall not expend proceeds of the sale of the Certificates or investment earnings thereon more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Certificates, or (2) the date the Certificates are retired, unless the Issuer obtains an opinion of nationally-recognized bond counsel that such expenditure will not adversely affect the status, for federal income tax purposes, of the Certificates or the interest thereon. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Disposition of Project. The Issuer covenants that the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the Issuer of cash or other compensation, unless any action taken in connection with such disposition will not adversely affect the tax-exempt status of the Certificates. For purpose of the foregoing, the Issuer may rely on an opinion of nationally-recognized bond counsel that the action taken in connection with such sale or other disposition will not adversely affect the

tax-exempt status of the Certificates. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains a legal opinion that such failure to comply will not adversely affect the **excludability for federal income tax proposes from gross income of the interest**.

(f) Designation as Qualified Tax Exempt Obligations. The Issuer hereby designates the Certificate as a "qualified tax exempt obligation" as defined in section 265(b)(3) of the Code. In furtherance of such designation, the Issuer represents, covenants and warrants the following: (a) that during the calendar year in which the Certificate is issued, the Issuer (including any subordinate entities) has not designated nor will designate obligations that when aggregated with the Certificate, will result in more than \$10,000,000 of "qualified tax exempt obligations" being issued; (b) that the Issuer reasonably anticipates that the amount of tax exempt obligations issued, during the calendar year in which the Certificate is issued, by the Issuer (or any subordinate entities) will not exceed \$10,000,000; and, (c) that the Issuer will take such action or refrain from such action as necessary, and as more particularly set forth in Section 9 hereof, in order that the Certificate will not be considered "private activity bonds" within the meaning of section 141 of the Code.

(g) Procedures to Monitor Compliance with Tax Covenants. The City hereby adopts the procedures attached hereto as Exhibit B as a means of monitoring compliance with the federal tax covenants made herein.

Section 10. SALE OF CERTIFICATES; FURTHER PROCEDURES.

(a) The Certificate is hereby sold and shall be delivered to TIB The Independent Bankers Bank, N.A., as Purchaser, at a price of \$2,050,000, pursuant to the terms and provisions of a Purchase Agreement which the Mayor or Mayor Pro Tem of the Issuer is hereby authorized to execute and deliver. It is hereby officially found, determined, and declared that the terms of this sale are the most advantageous reasonably obtainable. The initial Certificate shall be registered in the name of the Purchaser.

(b) The Mayor and Mayor Pro Tem, the City Administrator and the City Secretary shall be and they are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the corporate seal and on behalf of the Issuer a Paying Agent/Registrar Agreement with the Paying Agent/Registrar and all other instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the Certificates, and the sale of the Certificates. In case any officer whose signature shall appear on any Certificate shall cease to be such officer before the delivery of such Certificate, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

Section 11. INTEREST EARNINGS ON CERTIFICATE PROCEEDS. Interest earnings derived from the investment of proceeds from the sale of the Certificates shall be used along with other Certificate proceeds for the Project; provided that after completion of such purpose, if any of such interest earnings remain on hand, such interest earnings shall be deposited in the Interest and Sinking Fund. It is further provided, however, that any interest earnings on certificate proceeds that are required to be rebated to the United States of America pursuant to Section 9 hereof in order to prevent the Certificates from being arbitrage bonds shall be so rebated and not considered as interest earnings for the purposes of this Section.

Section 12. CONSTRUCTION FUND.

(a) The Issuer hereby creates and establishes and shall maintain on the books of the Issuer a separate fund to be entitled the "Series 2019 Certificate of Obligation Construction Fund" for use by the Issuer for

payment of all lawful costs associated with the Project as hereinbefore provided. Proceeds of the Certificates in the amount of \$2,008,000.00 (representing the par amount of the Certificates less costs of issuance in the amount of \$42,000.00) shall be deposited into the Construction Fund, other than amounts paid at closing for issuance costs. Upon payment of all such Project costs, any moneys remaining on deposit in said Fund shall be transferred to the Interest and Sinking Fund. Amounts so deposited to the Interest and Sinking Fund shall be used in the manner described in Section 5 of this Ordinance.

(b) The Issuer may place proceeds of the Certificates (including investment earnings thereon) and amounts deposited into the Interest and Sinking Fund in investments authorized by the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended; provided, however, that the Issuer hereby covenants that the proceeds of the sale of the Certificates will be used as soon as practicable for the purposes for which the Certificates are issued.

(c) All deposits authorized or required by this Ordinance shall be secured to the fullest extent required by law for the security of public funds.

Section 13. COMPLIANCE WITH RULE 15c2-12. The Issuer has not made an undertaking in accordance with Rule 15c2 12 of the Securities and Exchange Commission (the "Rule"). The Issuer is not, therefore, obligated pursuant to the Rule to provide any ongoing disclosure relating to the Issuer or the Certificate. The Issuer will however provide the owner of the Certificate, with its annual financial report within 270 days after each of the Issuer's fiscal year end beginning with the Issuer's fiscal year ending September 30, 2019, unless such information is available on the Electronic Municipal Market Access website.

Section 14. METHOD OF AMENDMENT. The Issuer hereby reserves the right to amend this Ordinance subject to the following terms and conditions, to wit:

(a) The Issuer may from time to time, without the consent of any holder, except as otherwise required by paragraph (b) below, amend or supplement this Ordinance in order to (i) cure any ambiguity, defect or omission in this Ordinance that does not materially adversely affect the interests of the holders, (ii) grant additional rights or security for the benefit of the holders, (iii) add events of default as shall not be inconsistent with the provisions of this Ordinance and that shall not materially adversely affect the interests of the holders, (iv) qualify this Ordinance under the Trust Indenture Act of 1939, as amended, or corresponding provisions of federal laws from time to time in effect, or (v) make such other provisions in regard to matters or questions arising under this Ordinance as shall not be inconsistent with the provisions of this Ordinance and that shall not in the opinion of the Issuer's Bond Counsel materially adversely affect the interests of the holders.

(b) Except as provided in paragraph (a) above, the holders of Certificates aggregating in principal amount 51% of the aggregate principal amount of then outstanding Certificates that are the subject of a proposed amendment shall have the right from time to time to approve any amendment hereto that may be deemed necessary or desirable by the Issuer; provided, however, that without the consent of 100% of the holders in aggregate principal amount of the then outstanding Certificates, nothing herein contained shall permit or be construed to permit amendment of the terms and conditions of this Ordinance or in any of the Certificates so as to:

- (1) Make any change in the maturity of any of the outstanding Certificates;
- (2) Reduce the rate of interest borne by any of the outstanding Certificates;
- (3) Reduce the amount of the principal payable on any outstanding Certificates;

(4) Modify the terms of payment of principal or of interest on outstanding Certificates or any of them or impose any condition with respect to such payment; or

(5) Change the minimum percentage of the principal amount of any series of Certificates **necessary for consent to such amendment.**

(c) If at any time the Issuer shall desire to amend this Ordinance under subsection (b) of this Section, the Issuer shall send by U.S. mail to each registered owner of the affected Certificates a copy of the proposed amendment and cause notice of the proposed amendment to be published at least once in a financial publication published in The City of New York, New York or in the State of Texas. Such published notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the office of the Issuer for inspection by all holders of such Certificates.

(d) Whenever at any time within one year from the date of publication of such notice the Issuer shall receive an instrument or instruments executed by the holders of at least 51% in aggregate principal amount of all of the Certificates then outstanding that are required for the amendment, which instrument or instruments shall refer to the proposed amendment and that shall specifically consent to and approve such amendment, the Issuer may adopt the amendment in substantially the same form.

(e) Upon the adoption of any amendatory Ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be modified and amended in accordance with such amendatory Ordinance, and the respective rights, duties, and obligations of the Issuer and all holders of such affected Certificates shall thereafter be determined, exercised, and enforced, subject in all respects to such amendment.

(f) Any consent given by the holder of a Certificate pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the publication of the notice provided for in this Section, and shall be conclusive and binding upon all future holders of the same Certificate during such period. Such consent may be revoked at any time after six months from the date of the publication of said notice by the holder who gave such consent, or by a successor in title, by filing notice with the Issuer, but such revocation shall not be effective if the holders of 51% in aggregate principal amount of the affected Certificates then outstanding, have, prior to the attempted revocation, consented to and approved the amendment.

(g) For the purposes of establishing ownership of the Certificates, the Issuer shall rely solely upon the registration of the ownership of such Certificates on the registration books kept by the Paying Agent/Registrar.

Section 15. DEFAULT AND REMEDIES

(a) Events of Default. Each of the following occurrences or events for the purpose of this Ordinance is hereby declared to be an Event of Default:

(i) the failure to make payment of the principal of or interest on any of the Certificates when the same becomes due and payable; or

(ii) default in the performance or observance of any other covenant, agreement or obligation of the City, the failure to perform which materially, adversely affects the rights of the registered owners of the Certificates, including, but not limited to, their prospect or ability to be repaid in accordance with this Ordinance, and the continuation thereof for a period of 60 days after notice of such default is given by any Registered Owner to the City.

(b) Remedies for Default.

(i) Upon the happening of any Event of Default, then and in every case, any Registered Owner or an authorized representative thereof, including, but not limited to, a trustee or trustees therefor, may proceed against the City for the purpose of protecting and enforcing the rights of the Registered Owners under this Ordinance, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Registered Owners hereunder or any combination of such remedies.

(ii) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Registered Owners of Certificates then outstanding.

(c) Remedies Not Exclusive.

(i) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Certificates or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Certificates shall not be available as a remedy under this Ordinance.

(ii) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

(iii) By accepting the delivery of a Certificate authorized under this Ordinance, such Registered Owner agrees that the certifications required to effectuate any covenants or representations contained in this Ordinance do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers, employees or members of the City or the City Council.

Section 16. EFFECTIVE DATE. In accordance with the provisions of Texas Government Code, Section 1201.028, this Ordinance shall be effective immediately upon its adoption by the City Council.

Section 17. SEVERABILITY. If any section, article, paragraph, sentence, clause, phrase or word in this Ordinance, or application thereof to any persons or circumstances is held invalid or unconstitutional by a court of competent jurisdiction, such holding shall not affect the validity of the remaining portion of this Ordinance, despite such invalidity, which remaining portions shall remain in full force and effect.

EXHIBIT B

WRITTEN PROCEDURES FOR FEDERAL TAX COMPLIANCE

These procedures, together with any federal tax certifications, provisions included in the order, ordinance or resolution (the "Authorizing Document") authorizing the issuance and sale of any tax-exempt debt such as the Certificates (the "Obligations"), letters of instructions and/or memoranda from bond counsel and any attachments thereto (the "Closing Documents"), are intended to assist the Issuer in complying with federal guidelines related to the issuance of such Obligations

I. Arbitrage Compliance. Federal income tax laws generally restrict the ability to earn arbitrage in connection with the Obligations. The Issuer's City Secretary (such officer, together with other employees of the Issuer who report to or such officer, is collectively, the "Responsible Person") will review the Closing Documents periodically (at least once a year) to ascertain if an exception to arbitrage compliance applies.

1. Procedures applicable to Obligations issued for construction and acquisition purposes. With respect to the investment and expenditure of the proceeds of the Obligations that are issued to finance public improvements or to acquire land or personal property, the Responsible Person will:
 - a. Instruct the appropriate person who is primarily responsible for the construction, renovation or acquisition of the facilities financed with the Obligations (the "Project") that (i) binding contracts for the expenditure of at least 5% of the proceeds of the Obligations must be entered into within 6 months of the date of closing of the Obligations (the "Issue Date") and that (ii) the Project must proceed with due diligence to completion;
 - b. Monitor that at least 85% of the proceeds of the Obligations to be used for the construction, renovation or acquisition of the Project are expended within 3 years of the Issue Date;
 - c. Monitor the yield on the investments purchased with proceeds of the Obligations and restrict the yield of such investments to the yield on the Obligations after 3 years from the Issue Date; and
 - d. To the extent that there are any unspent proceeds of the Obligations at the time the Obligations are refunded, or if there are unspent proceeds of the Obligations that are being refunded by a new issuance of Obligations, the Responsible Person shall continue monitoring the expenditure of such unspent proceeds to ensure compliance with federal tax law with respect to both the refunded Obligations and any Obligations being issued for refunding purposes.
2. Procedures applicable to Obligations with a debt service reserve fund. In addition to the foregoing, if the Issuer issues Obligations that are secured by a debt service reserve fund, the Responsible Person will assure that the maximum amount of any reserve fund for the Obligations invested at a yield higher than the yield on the Obligations will not exceed the lesser of (1) 10% of the principal amount of the Obligations, (2) 125% of the average annual debt service on the Obligations measured as of the Issue Date, or (3) 100% of the maximum annual debt service on the Obligations as of the Issue Date.
3. Procedures applicable to Escrow Accounts for Refunding Obligations. In addition to the foregoing, if the Issuer issues Obligations and proceeds are deposited to an escrow fund to be administered pursuant to the terms of an escrow agreement, the Responsible Person will:
 - a. Monitor the actions of the escrow agent to ensure compliance with the applicable provisions of the escrow agreement, including with respect to reinvestment of cash balances;

- b. Contact the escrow agent on the date of redemption of obligations being refunded to ensure that they were redeemed; and
 - c. Monitor any unspent proceeds of the refunded obligations to ensure that the yield on any investments applicable to such proceeds are invested at the yield on the applicable obligations or otherwise applied (see Closing Documents).
4. Procedures applicable to all Tax-Exempt Obligation Issues. For all issuances of Obligations, the Responsible Person will:
- a. Maintain any official action of the Issuer (such as a reimbursement resolution) stating the Issuer's intent to reimburse with the proceeds of the Obligations any amount expended prior to the Issue Date for the acquisition, renovation or construction of the Project;
 - b. Ensure that the applicable information return (e.g., U.S. Internal Revenue Service ("IRS") Form 8038-G, 8038-GC, or any successor forms) is timely filed with the IRS;
 - c. Assure that, unless excepted from rebate and yield restriction under section 148(f) of the Internal Revenue Code of 1986, as amended, excess investment earnings are computed and paid to the U.S. government at such time and in such manner as directed by the IRS (i) at least every 5 years after the Issue Date and (ii) within 30 days after the date the Obligations are retired;
 - d. Monitor all amounts deposited into a sinking fund or funds pledged (directly or indirectly) to the payment of the Obligations, such as the Interest and Sinking Fund, to assure that the maximum amount invested within such applicable fund at a yield higher than the yield on the Obligations does not exceed an amount equal to the debt service on the Obligations in the succeeding 12 month period plus a carryover amount equal to one-twelfth of the principal and interest payable on the Obligations for the immediately preceding 12-month period; and
 - e. Ensure that no more than 50% of the proceeds of the Obligations are invested in an investment with a guaranteed yield for 4 years or more.

II. Private Business Use. Generally, to be tax-exempt, only an insignificant amount of the proceeds of each issue of Obligations can benefit (directly or indirectly) private businesses. The Responsible Person will review the Closing Documents periodically (at least once a year) for the purpose of determining that the use of the Project financed or refinanced with the proceeds of the Obligations does not violate provisions of federal tax law that pertain to private business use. In addition, the Responsible Person will:

- 1. Develop procedures or a "tracking system" to identify all property financed with Obligations;
- 2. Monitor and record the date on which the Project is substantially complete and available to be used for the purpose intended;
- 3. Monitor and record whether, at any time the Obligations are outstanding, any person, other than the Issuer, the employees of the Issuer, the agents of the Issuer or members of the general public:
 - a. has any contractual right (such as a lease, purchase, management or other service agreement) with respect to any portion of the Project;
 - b. has a right to use the output of the Project (e.g., water, gas, electricity); or
 - c. has a right to use the Project to conduct or to direct the conduct of research;
- 4. Monitor and record whether, at any time the Obligations are outstanding, any person, other than the Issuer, has a naming right for the Project or any other contractual right granting an intangible benefit;
- 5. Monitor and record whether, at any time the Obligations are outstanding, the Project, or any portion thereof, is sold or otherwise disposed of; and
- 6. Take such action as is necessary to remediate any failure to maintain compliance with the covenants contained in the Authorizing Document related to the public use of the Project.

III. Record Retention. The Responsible Person will maintain or cause to be maintained all records relating to the investment and expenditure of the proceeds of the Obligations and the use of the Project financed or refinanced thereby for a period ending three (3) years after the complete extinguishment of the Obligations. If any portion of the Obligations is refunded with the proceeds of another series of Obligations, such records shall be maintained until the three (3) years after the refunding Obligations mature or are otherwise paid off. Such records can be maintained in paper or electronic format.

IV. Responsible Person. A Responsible Person shall receive appropriate training regarding the Issuer's accounting system, contract intake system, facilities management and other systems necessary to track the investment and expenditure of the proceeds and the use of the Project financed or refinanced with the proceeds of the Obligations. The foregoing notwithstanding, each Responsible Person shall report to the governing body of the Issuer whenever experienced advisors and agents may be necessary to carry out the purposes of these instructions for the purpose of seeking approval of the governing body to engage or utilize existing advisors and agents for such purposes.
